ADA CER·P® | Continuing Education
Recognition Program

American Academy of Oral and Maxillofacial Pathology is an ADA CERP Recognized Provider

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

American Academy of Oral and Maxillofacial Pathology designates this activity for 34 continuing education credits.
